**EXHIBIT ENTRY FORM**

Dear Motorcycle Enthusiast,

No show would exist without machines to display, and to help justify the work in preparing and transporting a vintage or classic motorcycle to the show we are offering one free entry per exhibit as well as the usual commemorative embroidered show badge and show catalogue. There is also the chance to win a prestigious class award. As always this is the opportunity to meet many other motorcycle enthusiasts, both young and old, and also to browse the bike jumble and spare parts stands for that elusive or much needed replacement part for a restoration project.

The Scottish Classic Motorcycle Show is run by volunteers from the Ayr Classic Motorcycle Club. This year's Show is once again in the Club's home town of Ayr in an impressive venue at the Princess Royal Function Suite at Ayr Racecourse. This is the Club's eleventh year at this first class venue and a number of enhancements have been planned for this year's event. Due to the nature of the indoor venue there are a number of control measures in place for the running of the show. Those which will apply to you are outlined overleaf.

We hope that you will be able to join us this year and make the Show a resounding success for both you and our Club. Please fill in and sign the entry form, then tear it off and return it to the address shown.

Entry forms must arrive by 26<sup>th</sup> May 2024 to be included in the show catalogue. Late entries may be accepted. No entry will be accepted unless the entry application is signed by the exhibitor.
- To qualify for the **main classic section** of the show the motorcycle must be at least 15 years old.
- Motorcycles must arrive at the show venue with the minimum amount of fuel on-board. **AN OVER FULL FUEL TANK WILL NOT BE ALLOWED ENTRY TO THE VENUE.** (Note that there is a Tesco filling station adjacent to the venue.)

While older motorcycles may be prone to oil leaks no motorcycle will be admitted to the show if the inspecting team deem that any oil leak will be sufficient to cause damage to the fabric of the venue.
- After being inspected all motorcycles will be registered through a security system where they will be issued with a unique number. The motorcycle will then be conducted to its allotted position. The exhibitor will be issued with a card giving the security number and this must be presented when removing the motorcycle at the end of the show. Failure to show this card may mean a substantial delay in exit from the show until the legitimacy of ownership of the machine can be proven. This is for your protection so please accept this in good faith.
- Access for exhibitors is available from 6.30 am on the day of the show and the machine(s) must be in place by 9.30am. There is limited admission for exhibits to the venue on Friday 14<sup>th</sup> June between 6pm and 9pm with limited overnight storage at own risk at the venue. Item 8 will apply.

- Each exhibit will receive one Show Entry Ticket for the Show on Saturday 15<sup>th</sup> June 2023.
